

## Grossmont College Mathematics AS-T Preparation for the Major

### Mathematics - B.S. DEGREE

To receive admission preference to CSU's students can complete the AS-T in Mathematics. It is also important that students incorporate as much of the lower division course work found on the [www.ASSIST.org](http://www.ASSIST.org) articulation agreement as possible. In addition to degree requirements, students must complete CSU GE Certification or IGETC-CSU. It is important to meet with a Counselor for additional assistance.

*SDSU accepts AS-T degrees in Mathematics (Science Emphasis only). This major will not have a foreign language competency requirement at SDSU. Check with a Counselor for applicability to other CSU's. The Mathematics AS-T requires a minimum 2.0 Cumulative G.P.A.*

***Students applying with the AS-T in Mathematics will receive priority in the admissions process but are not guaranteed admittance into the CSU of their choice.***

***Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements and apply for admission at multiple campuses.***
