## MAP QUIZ STUDY PACKET

*Each map quiz is worth 10 points. Find the location of places and features listed in this packet on the corresponding blank maps provided. Use the recommended course atlas, the class website map resources, or other atlas to help in labeling the blank maps with the accurate locations of the places and features. Then, study and learn the locations.*

<u>Quiz Number</u>	<u>Regions</u>
Quiz #1	North America and Latin America
Quiz #2	The Caribbean, Australia, and Oceania
Quiz #3	Africa and Southwest Asia
Quiz #4	Europe and the Russian Domain
Quiz #5	Central and East Asia
Quiz #6	South and Southeast Asia

**Example:** A zoomed-in snap-shot of one part of a map quiz. Quizzes will include a list of 10 places. You will be required to label each location with the corresponding letter (physical features), number (political units), or letter-number combination (cities).

**Note:** The following abbreviations may be used throughout this packet:

Mtns = Mountains    Mt = Mount    Isles = Islands    R = River    Lk = Lake

NAME: \_\_\_\_\_
