

CULTURAL GEOGRAPHY FINAL EXAM REVIEW

The final exam will be composed of 75% new material and 25% “old” material. Use this handout to help focus on the important “old” material. Use the map below to ensure you understand where things fit SPATIALLY as well simply knowing the facts about the regions... Just in case there is a question like this on the final ☺

Label and describe: North America, Latin America, Europe (and east vs west), SW Asia & North Africa, Sub-Saharan Africa, South Asia (focus on India for the chart), East Asia (focus on China), Southeast Asia, & Australia/New Zealand
