Career Services Ambassador of the Month Justin Rapolla, August 2019

Justin is a very hard worker. That's one of the things that was clear about him from day one. It's encouraging to work with someone who's always willing to help, ready to go at all times.

- **Jahmeel R.**

Justin has always been that one employee that goes the extra mile; that one employee that supervisors would love to hire, you know? I have watched Justin enter our team and grow both professionally and personally. He's awesome.

- **Andrew O.**
