

How to Identify CSU and UC Transferable Courses

1. Go to assist.org

The assist.org logo is at the top left, with the tagline 'The official transfer and articulation system for California's public colleges and universities'. Below it is a purple banner that says 'Your transfer resource. Get the information you need to find the best path to your degree.' There are two buttons: 'New to ASSIST?' and 'Frequent Questions'. To the right is a 'Transfer Information' form with three dropdown menus: 'Academic Year' (set to 2015-2016), 'Institution' (set to 'Select an Institution'), and 'Agreements with Other Institutions' (set to 'Select an Institution'). There is a 'View Agreements' button and a tip: 'Looking for transferability lists? Select a community college.'

i ASSIST does not take the place of a counselor on your campus. It is intended to help students and counselors work together to establish an appropriate path toward transferring from a public California community college to a public California university.

For example: PSY 120 is CSU Transferable for the 15/16 academic year.
