

## Shane rocks at SDSU on Friday

Dr. Ron Shane, a GC instructor, wants to unleash you from your moronic prison to awaken your human spirit. In a concert of eclectic style, Savage Fire crosses classic Rock with a punk rap style.

Shane, who formed the band, says, "I'm doing these rock concerts because I want to see people revolt, I want to see them revolt inside themselves. We're living in an iron curtain in terms of consciousness."

The concert will be held Friday at Monty's Den at SDSU from 1 to 2 p.m.
