Orientation Process

Step 1: Attend an orientation. At this orientation, you will receive all information and registration requirements for the class you wish to enroll in. Any student wishing to register for any of the classes above must first attend an orientation.

Tuesday, June 21, 2016:

Phlebotomy, Medical Lab Assistant	9:00 am or 5:00 pm
Emergency Medical Technician (EMT)	9:00 am or 5:00 pm
Pharmacy Technician	9:00 am or 5:00 pm
Dental Assistant (RDA)	9:00 am
Veterinary Assistant	5:00 pm
Introduction to Health Science	5:00 pm
Healthcare Interpreting	5:00 pm

Wednesday, June 22, 2016:

Certified Nurse Assistant (CNA)	9:00 am or 5:00 pm
Medical Assistant	9:00 am or 5:00 pm
RN Refresher	9:00 am
Medical Terminology/Billing & Coding	5:00 pm
Administrative Medical Assistant	5:00 pm
Sports Medicine/Physical Rehab Aide	5:00 pm
Electronic Medical Records	5:00 pm

Step 2: Take the HOC Entry Screening Test. While attending the orientation, you will sign up for an Entry Screening Test. This is a basic test that covers 7th and 8th grade levels of English and math. You will need to pass this test with a minimum score of 70% to be *eligible* for registration. The test will be offered several times the week of June 27, 2016. You will then be notified by email of your score. The top scores will be given a registration appointment time.

Step 3: Come to the Health Occupations Center at your appointed registration time. Registration will begin the week of July 18, 2016.

Fall classes begin August, 2016.
