**VESL (Vocational English as a Second Language)
for the Healthcare Worker**

CLASS REGISTRATION = FREE

HOC offers a FREE class specifically for ESL students interested in medical careers. You can focus on English skills necessary to successfully complete training and excel in the healthcare industry. Teachers from ESL and the medical field will instruct students for success in a medical career.

Prepare for training in the medical field:

- Pronunciation, reading, writing, and conversation for success in a medical educational setting
- Study and understand medical vocabulary
- Become familiar with professional requirements in the healthcare industry
- Visit and observe medical classes offered at HOC to explore career opportunities
- Identify basic body systems
- Learn about safety and introductory infection control procedures
- Take vital signs and gain first aid skills
- Practice lab and medical office procedures

District policy is to maintain classes to the conclusion of the course if a minimum level of attendance is upheld. If the class falls short of minimum attendance, it will be subject to closure.

The Grossmont Union High School District does not discriminate on the basis of sex, race, color, religion, national origin, ethnic group, marital or parental status, physical or mental disability, sexual orientation, or any other unlawful consideration, whether actual or perceived. This policy is in keeping with provisions of Title VII and Title IX amendments of the United States Code protecting persons against unlawful discrimination.
