

WORLD REGIONAL GEOGRAPHY
PLACE NAMES FOR MAP QUIZ THREE

Learn and be prepared to demonstrate the location of the following political and physical features for map quiz number one. Use the Geography Coloring book along with the maps provided, and the resources found on our course website (including blank maps and practice quizzes) to ensure that you are thoroughly prepared.

HINT: the best way to learn these places is to make connections with the other information learned in class rather than memorizing random places without knowing the reasons behind their importance.

| PHYSICAL FEATURES | | |
|--------------------------------|------------------|-----------------------|
