**Study Abroad Requirement:** All international security and conflict resolution majors are required to complete one approved study abroad experience. See SDSU catalog for more details.

**Foreign Language Requirement:** A minimum competency (successfully completing the third college semester) in one language is a graduation requirement (excluding ASL). It is strongly recommended that international security and conflict resolution majors consider a minor or 2<sup>nd</sup> major in a foreign language.

**Specializations Available:** See current SDSU catalog for additional information.

- Justice in the Global System
- Cooperation, Conflict, and Conflict Resolution
- Environment and Security - includes upper division science courses. Lower division education in the natural sciences may serve as pre-requisites. Consult the current SDSU catalog and meet with a Counselor.
