# Mentor Recognition Dinner

Title V hosted a dinner on June 1, 2018 in recognition of the graduating Peer Mentors listed above that will be transferring to four year universities. The mentors invited their families, friends, and a faculty/staff member that made a positive impact in their Grossmont College experience. We are so proud of them and thank them for their hard work, commitment to the Peer Mentor Program, and to student success! Great things are in store for each and every one of them.
