STUDENT TESTIMONIAL

"Being a peer mentor at Grossmont has made my experience on campus unforgettable. Not only have I grown as a student, but as a person it feels amazing to be able to guide my mentees.

Seeing the progress my mentees and I have made together is incredible. It's an indescribable feeling to know that you helped someone understand how to overcome their obstacles and see them succeed. I can't wait to continue on next semester!" -Grossmont College Peer Mentor
