Student of the Month

Edwin Molina

It is with great joy and honor, to recognize the efforts and dedication Edwin has shown. Edwin has overcome many barriers and has never given up. He self-advocates, is persistent, and displays a lot of "ganas" every time he is here on campus. We are confident that Edwin will reach his goals and dreams, as he is very determined, and goal focused. In addition as he might not realize it, he serves as a role model to other students. We have seen Edwin, inform and connect other students to many resources on campus, and does it in a caring manner. The Via Rápida Family is very happy for his growth, and his contributions to the life and culture of the Via Rápida - FYE Family.
